

Marauder SL

Move More Payload

EXPECT MORE. CHOOSE READING.

TOUGH | DURABLE | RELIABLE

- MORE payload capacity
- EASY to clean understructure
- SHIP-THRU design

Marauder SL Dump Bodies

SL Dump Body

The Marauder SL Dump was designed for maximum payload and increased fuel efficiency. The trapezoidal crossmemberless understructure provides better floor support and limits uneven deformation in the floor plate. The understructure design also allows the body to be washed down easier, eliminating road salts and other pre-wetting corrosives. The product receives Reading's exclusive 12 stage emersion prime process and durable abrasion resistant polyester powder coat finish. The Marauder SL is backed by Reading's three year limited warranty on body and hoist.

Features

Heavy-Duty Understructure

- 7 gauge trapezoidal longills
- Crossmemberless understructure

Side Wall Construction

- 12 gauge sides
- Road spray rail
- Dirt-shedding top rail
- Equipped with sideboard gussets
- Full depth rear apron with rubber isolated clearance lights
- Full depth rear corner post with "banjo eye" chain holders and tarp tension bar receivers

Rugged Steel Floor

- Two piece HRA1011 steel floor plate
- Angled sidewalls to floor to eliminate bridging of material

High Capacity Hoist

- NTEA Class 30 double-acting, 12 volt, electric-hydraulic hoist and sub-frame assembly
- 8-13 Ton capacity, 50° dump angle
- Equipped with a safety body prop
- Grease zerks for ease of service and lubrication at all wear points

Protective Steel Bulkhead & Cab Shield

- Ship-Thru design
- ¼ cab shield with window and tarp tension bar retainer

Reliable, Convenient Tailgate

- 12 gauge steel
- Double-wall construction with upper and lower formed box sections
- Single lever "fast-action" drop down tailgate release
- Forward tailgate release with adjustable linkage
- Upper gate pins equipped with grease zerks for ease of maintenance

Prep / Finish

- E-coat priming process
- Powder coat finish - Black

Warranty

- 3 year limited warranty on body and hoist
