### MasterCard<sup>®</sup> Corporate Fleet Card<sup>®</sup>

T-Chek's fleet credit cards are not your typical business gas cards. Use of the card can increase driver efficiency, improve productivity and decrease costs through the vehicle management tools designed to manage the type of expenses necessary to support a fleet's businesses. T-Chek's MasterCard Corporate Fleet Card meets the unique purchasing and reporting needs of a company's fleet.

- ▶ Establish transaction and spend limits
- ▶ [Control purchasing](#) to time of day and days of week
- ▶ Receive real-time purchasing alerts through email or phone call
- ▶ Review summarized reporting to find exceptions

Fleet cards may be operational for fuel only, fuel and maintenance only or open purchasing. With MasterCard's wide acceptance, drivers are able to fuel quickly and efficiently, reducing unnecessary wasted time looking for the nearest participating fuel merchant. T-Chek's fleet reporting, analytics and real-time access help track operational expenditures and [improve administrative workflow](#) to support your fleet management needs.

## MasterCard® Corporate Fleet Card®

**Detailed reporting.** Access details of transactions (including rejections) as they occur, along with detailed ad hoc reporting including time, date, location, price, driver or vehicle ID, and more.

**Customize spending limits.** Establish pre-set limits for each cardholder/vehicle to restrict spending on transactions; overrides available if needed.

**Control purchasing.** Restrict acceptance to certain types of locations and allow fuel only, or fuel and maintenance purchases.

**Set alerts.** Receive automated e-mail alerts for specific events established by your company in addition to online exception reports used to identify purchases that do not match the purchase policy.

**Manage costs.** Reduce administrative costs and time through consolidated billing management and the customized general ledger data file.

**Discount options.** Leverage purchases to help negotiate volume discounts where usage amounts qualify.
